

120V Wet Location Selectable Discs

PRODUCT OVERVIEW

GeoTask™ inspires a world of applications through nature’s most elemental form. With the ability to switch between 2700K, 3000K and 4000K in round 5” and 12” nominal diameters, GeoTask is a star in any performance venue from task to hospitality, and from residential to commercial lighting applications in a wet location luminaire.

Note: Wet location listed for showers and protected ceilings

FEATURES

- 3CCT Selectable: 2700K / 3000K / 4000K
- 120V (remote power supply not required)
- Dimmable (Triac)
- Shallow profile
- Supplied with universal mounting plate
- Wet Location (IP54 - ceiling mount only)
- ADA Compliant (wall mounted)
- Edge-Lit Technology for diode-free illumination

Note: To maintain wet listing, fixture must be sealed with caulk. Requires a standard or deep J-Box for installation. Square to round mud rings are not compatible.
