

# LED Tape Mud-In

## Outside Corner Aluminum Channel and Accessories

**GM Lighting®**

Project Name	Type
Catalog #	Date

### PRODUCT OVERVIEW

An extruded aluminum channel designed especially for outside corner mud-in installations. Available in 6' lengths, the aluminum perforated mud-in frame that flanks both sides of the channel enables easy mudding installation. Includes snap-on frosted lens to reduce diode glare and pixelation.

### FITS FOLLOWING LEDtask™ LTR SERIES TAPE
